THAT'S A WRAP!

St. Pete Beach's 2008 Holiday Events Re-Cap

The Holiday Lighted Boat Parade and Parade Viewing Party at the Community Center, held on December 12th, were a big success! There were 25 boats from St. Pete Beach and South Pasadena lit up and sailing through the waters of Boca Ciega Bay. The first-ever Viewing Party at the Community Center hosted nearly 500 guests in Horan Park, all eager to watch the boats, watch the performances of the Boca Ciega Jazz Band and Cheryl Lee Studio of Dance... and of course to meet Santa!!!

Saturday, December 13th was the Annual Holiday Land Parade, ending at City Hall on Corey Avenue. Nearly 40 different Floats, acts and vehicles drove the streets, tossing out candy and beads to people lining the streets. Santa was the main event in the land parade as well, riding high atop a St. Pete Beach fire truck.

The City would like to give a big THANKS to everyone who was a part of the parades and to all of our wonderful sponsors. We could not have done it without you!!!

Attention vendors interested in the Wednesday Morning Market:
