Block Party Ideas

while social distancing

Recruit your neighbors in the planning:

Show us your creative skills by decorating your block for 4th of July. Make patriotic signs for your yard, color your sidewalks with cool chalk art. Plan a block scavenger hunt. Screen an outdoor movie. Everyone loves a parade - utilize your bikes, golf carts or walk your street waving American flags.

Does anyone on your block play a musical instrument? Ask them to lead the parade! Dress up like Uncle Sam or the Statue of Liberty and have a porch party with red, white and blue themed food and drink to ROCK YOUR BLOCK!

Please remember: It's important to wear masks and practice social distancing in public.
- Keep at least 6 feet from others
- Stay away from large crowds
- Wash hands for 30 seconds
